

Unlimited Rebate Specification

1. A \$2 rebate will be activated when the client makes their first deposit.
2. To receive the \$2 rebate, the client must complete a full round turn trade of 1 standard lot (this means opening and closing the trade).

Example:

Deposit Amount: \$1,000

Rebate Eligibility: \$2

Condition: The client must trade 1 full standard lot i.e. **1 standard lot is 100,000 units** (open and close) to receive the rebate of 2\$ in their rebate wallet.

3. Participants who sign up for rebate program after successfully registration, have to contact customer support ticket or send an email to Customersupport@tattvamm Markets.com to active the Rebate promotional program on their account.
4. Rebate payout will be simultaneously added to the participant rebate wallet. Participants can transfer the rebate from the rebate wallet to their trading account. If a participant wishes to withdraw the Rebate amount directly from their rebate wallet to their payment account must accumulate a minimum of \$100 in their wallet before initiating a withdrawal.
5. Rebate cannot be transferred across client accounts.
6. The rebate is a one-time event. This cannot be clubbed with other promotional offers.
7. The closure of the promotion will be communicated via email at least one month in advance of the official end date.

General Terms:

1. The Promotion will be applicable on Tattvam Standard and Pro Account users only.
2. Rebates are rewarded on each round-turn transaction of one standard lot traded, which includes both the opening and closing of a position.
3. Each client is allowed to participate in the promotion with only one trading account.
4. The company reserves the right to cancel the “Unlimited Rebate” without prior notice. We strongly recommend that you refrain from factoring in the bonus when calculating the profitability of your trading strategy. The company is not responsible for any consequences of the bonus cancellation, including stop-out cases, since the accrued bonus remains the company's entire property.
5. Any indication or suspicion, at the company's reasonable discretion, of any form of arbitrage, abuse, fraud, manipulation, arbitrage, scalping connected to the promotion, or any other forms of deceitful or fraudulent activity will nullify all previous trading.
6. A stop-out level would be at 30%
7. The above terms apply to the “Unlimited Rebate” and form an addendum to the terms and conditions stated in the Client Agreement. Clients should ensure they have read and understood all terms and conditions applicable to their account.
8. The use of automated trading strategies, including high-frequency trading (HFT) algorithms, is prohibited. Profit generated from such trades will be deducted and the remainder amount will be released on withdrawal.
9. Tattvam Capital Markets reserves the right to monitor all trading activities for suspicious or abusive patterns. Violations of our trading rules, including scalping with robots, will be investigated and may result in account suspension or termination.
